

# Behavioural Support Rounds

**July 15, 2021 2:00 – 3:00 PM EDT**

---

## **Title:**

Lessons from the Pandemic: Finding Resilience and Strength Through Meaningful Engagement

## **Presented by:**

Kate Dupuis, PhD and Allen Power, MD, FACP

## **Learning objectives:**

1. List factors that created resilience and reduced infection risk among LTC homes during the coronavirus pandemic
2. Learn about the experiences of recreation staff working in LTC and retirement homes during the coronavirus pandemic
3. Understand how recreation staff worked to reduce social isolation in residents

## **How to participate:**

- [Click here to register](#)
- You must register in advance for this meeting. After registering, you will receive information about how to join.
- If you have any GoToWebinar questions, please refer to their [support page](#), or contact [Agnes Cheng Tsallis](#)
- To be included on the distribution list for these rounds, please contact [Stacey Guy](#)

## **How to obtain a certificate of attendance**

- Complete the evaluation survey and enter in an email address to send the certificate to.

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing challenging responsive behaviours, as demonstrated by individuals who live with dementia.

These Rounds are co-sponsored by the Baycrest Toronto Central – LHIN Behaviour Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest.
