- To be included on the distribution list for these rounds, please contact [Stacey Guy](#)

How to obtain a certificate of attendance

- Complete the evaluation survey and enter in an email address to send the certificate to.

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing challenging responsive behaviours, as demonstrated by individuals who live with dementia.

These Rounds are co-sponsored by the Baycrest Toronto Central – LHIN Behaviour Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest.
