

Behavioural Support Rounds

October 21, 2021 2:00 – 3:00 PM EDT

Title:

Understanding and Identifying PTSD and Dementia in Veterans

Presenter:

Dr. Kim Ritchie, Ph.D.

How to participate:

- [Click here to register](#)
- You must register in advance for this meeting. After registering, you will receive information about joining the webinar.
- If you have any Zoom Webinar questions, please refer to their [support page](#), or contact [Agnes Cheng Tsallis](#)
- To be included on the distribution list for these rounds, please contact [Ontario CLRI at Baycrest](#)

Learning Objectives:

1. Describe how PTSD and Dementia symptoms are understood in Veterans in LTC.
2. Describe how these symptoms are identified by healthcare providers.
3. Consider the care implications of PTSD and Dementia symptoms.

How to obtain a certificate of attendance

- Complete the evaluation survey and enter in an email address to send the certificate to.
- The survey will be emailed to attendees following the Rounds.

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing challenging responsive behaviours, as demonstrated by individuals who live with dementia.

These Rounds are co-sponsored by the Baycrest Toronto Central – LHIN Behaviour Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest.
