

# Behavioural Support Rounds

**November 18, 2021 2:00 – 3:00 PM EDT**

## **Title:**

Success Stories from Behaviour Support Practices

## **Presenters:**

Milena Silva – University Health Network  
Simonne Cumberbatch – Baycrest Health Sciences  
Margie Matriano and Gurvinder Kaur - Castlview Wychwood Towers  
Joan Cai and Veronica Downer - Baycrest Health Sciences

## **Learning Objectives:**

- Learn about implementation of successful behaviour support best practices across different sectors.
- Identify key elements to successful management of behaviour support through real case examples.

## **How to participate:**

- [Click here to register](#)
- You must register in advance for this meeting. After registering, you will receive information about joining the webinar.
- If you have any Zoom Webinar questions, please refer to their [support page](#), or contact [Agnes Cheng Tsallis](#)
- To be included on the distribution list for these rounds, please contact [Ontario CLRI at Baycrest](#)

## **How to obtain a certificate of attendance**

- Complete the evaluation survey and enter in an email address to send the certificate to.
- The survey will be emailed to attendees following the Rounds.

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing challenging responsive behaviours, as demonstrated by individuals who live with dementia.

These Rounds are co-sponsored by the Baycrest Toronto Central – LHIN Behaviour Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest.
