

Behavioural Support Rounds

Thursday, August 18, 2022 | 2–3 PM EDT

Title:

"I don't want to behave like this, I can't help it!"
Pain Care Intersection with Behavioural Care

Presented by:

Tracey Human RN CHPCN(C)
Director | Consultant
Palliative Care | Pain & Symptom Management Consultation (PPSMC) | Toronto Service

Tracey Human is an ardent proponent of transformative healthcare rooted in knowledge-to-action and applied empathy to positively impact the illness experience for individuals, families, and care teams. *"Serving in communities of practice over 40 years capacity building grassroots to system level is such a privilege."*

Tracey has served in her present role 13 years as Director of the Palliative Care, Pain & Symptom Management Consultation Service (PPSMC) for Toronto; currently is Chair of the provincial Intellectual and Developmental Disability Palliative Care Committee (IDD-PCC); member of the Ontario Health/Cancer Care Ontario, Hospital Model of Care working group; member of the Ontario Palliative Care Network (OPCN) Clinical Advisory Council; past Chair of the provincial Palliative Care Consultation Network (PCCN); past Member of the Toronto Central Hospice Palliative Care Network Board of Directors; and has served on the Ryerson University Advisory Council to the Health Services & Health Information Management Programs.

Learning objectives:

- After participating in this session, attendees should be able to
1. Describe the pain-behavior link
 2. Attach pain care significance to successful behavioral care

How to participate:

- Click [here](#) to register. You must register in advance for this meeting. After registering, you will receive information about joining the webinar.
- If you have any Zoom Webinar questions, please contact Agnes Cheng Tsallis at achengtsallis@baycrest.org
