LEARNING OBJECTIVES:

By the end this session, attendees will be able to:

- Access new BSO tools that align with BSO's provincial practice standards;
- Implement new BSO tools that enhance communication and consistency between teams working across multiple sectors; and
- Select opportunities to become involved in province-wide BSO working groups that align with their interests and expertise.

HOW TO PARTICIPATE:

- You must register in advance [here](#). After registering, you will receive information about joining the webinar
- If you have any Zoom Webinar questions, please contact Agnes Cheng Tsallis at achengtsallis@baycrest.org
- If you have any questions about these rounds or wish to be included on the distribution list, please contact Tania Aragona at OntarioCLRI@baycrest.org

HOW TO OBTAIN A CERTIFICATE OF ATTENDANCE:

After having attended, complete the evaluation survey and enter an email address to request your certificate.

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing personal expressions, as demonstrated by individuals who live with dementia.

These Rounds are co-sponsored by the Behavioural Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest
