

## BEHAVIOURAL SUPPORT ROUNDS

### Thursday, October 20, 2022 | 2–3 PM EDT

#### PRESENTATION TITLE:

The Learning Inter-Professionally Healthcare Accelerator (LIPHA), an innovative virtual training tool designed to increase staff retention and boost LTC team competency

#### PRESENTERS:

Raquel Mayer PhD, RN

Director, Ontario Centres for Learning, Research and Innovation in Long-Term Care | Baycrest

Rachel Walker BA (Hons.)

Knowledge Broker, Ontario Centres for Learning, Research and Innovation in Long-Term Care | Baycrest

Natalie Leventhal MSW., RSW.

Knowledge Broker, Centre for Aging + Brain Health Innovation | Baycrest

#### LEARNING OBJECTIVES:

- Learn about LIPHA a meta-simulation game-based training app created to support virtual onboarding and virtual student placements
- Discover how LIPHA can benefit LTCH new hires and students to promote relational, safe, and team-based care, including dementia care
- Learn how LTC homes and teams are supported through the LIPHA program

#### HOW TO PARTICIPATE:

- You must register in advance [here](#). After registering, you will receive information about joining the webinar
- If you have any Zoom Webinar questions, please contact Agnes Cheng Tsallis at [achengtsallis@baycrest.org](mailto:achengtsallis@baycrest.org)
- To be included on the distribution list for these rounds, please contact Tania Aragona at [OntarioCLRI@baycrest.org](mailto:OntarioCLRI@baycrest.org)

#### HOW TO OBTAIN A CERTIFICATE OF ATTENDANCE:

- After having attended, complete the evaluation survey and enter an email address to request your certificate

These sessions are open to all healthcare professionals and students to provide a learning forum to review leading practices in assessing and managing personal expressions, as demonstrated by individuals who live with dementia.

*These Rounds are co-sponsored by the Behavioural Support for Seniors Program, and the Ontario Centres for Learning, Research and Innovation in Long-Term Care at Baycrest.*
